

Pedscapes

ePediatric News - <http://www2.epediatricnews.com>

This is monthly electronic newspaper for pediatricians from the Elsevier group.

The features include latest news, clinical rounds, sections on infectious diseases, behavioral pediatrics *etc.*, practice trends and clinical rounds.

The best part is, it is free!

Pediatric Emergency Medicine Practice: <https://www.empractice.net/>

This is a website on evidence-based approach to pediatric emergency care. It contains articles, clinical pathways, legal issues, ways for cost-effective pediatric emergency care and CME programs. This is a must-visit for those dealing critical care pediatrics, especially in the private sector.
