Pediatric Education - <http://www.pediatriceducation.org/>

PediatricEducation.org is a Pediatric digital library and learning collaboratory intended to serve as a source of continuing pediatric education. The website contains a collection of cases with detailed discussion and questions, which are being updated weekly. Pediatriceducation.org is due to the efforts of Donna M. D'Alessandro, from the Department of Pediatrics, University of Iowa College of Medicine, USA.

Meistermed Database for the PDA - www.meistermed.com/isilodepot/isilo_depot_index_subj.htm

Meistermed contains a collection of

resources on various specialties, mostly freeware, which downloaded to a PDA (Personal Digital Assistant). It requires an iSilo viewer which can be downloaded free from the website. The pediatric section contains the PedBase, a database of pediatric conditions, Pediatric surgery handbook, NICU pearls,

Neonatal cochrane systemic reviews, Pediatric Cardiology and Clinical Pediatrics.

The Sections on dermatology, emergency medicine, clinical skills, lab medicine and ventilators will also be of use to Pediatricians.
