

Pedscapes

Braunwald Image Bank - <https://www.crestor.com/p/imagebank/index.asp>

This website contains a large college collection of high quality images on Cardiology, edited by Dr Eugene Braunwald. Access is by a free registration. The images can be downloaded free into a "My Slides" feature and incorporated into power point presentations.

International Site on respiratory Care - <http://www.az-air.com/>

The AZ-AIR website allows free download of a large collection of images on pulmonology, clinical case presentations, e-learning tutorials for patients, a large collection of abstracts and an 'ask the expert' feature. The website also contains a section on pediatric asthma and an interactive site meant for children with asthma. Access requires a free registration.

C. Vidyashankar,
Apollo Clinic, Doha, Qatar.
