

## **Program for Professional Development in Newborn Health at AIIMS, New Delhi**

### **Workshop on Neonatal Ventilation**

The Newborn Division of Department of Pediatrics is organizing a state-of-the-art workshop 'Advanced Ventilation in Neonates' from 28<sup>th</sup> to 31<sup>st</sup> March 2019.

The workshop shall

- involve high-level academic discussion on physiology and evidence-based practices in neonatal ventilation, making it suitable for DM/MD/DNB residents as well as practicing pediatricians
- be moderated by reputed faculty
- include:
  - ❖ case-based discussions with focus on problem solving
  - ❖ workstations on critical care of ventilated neonates including pulmonary graphics

Interested candidates should send a DD/Cheque of **Rs. 10,000/-** in favor of "Ventilation workshop" payable at New Delhi latest by 28<sup>th</sup> February 2019. The registration would be on first-come-first-served basis for a maximum of 40 participants. The participants will receive the latest resource material at least 3-4 weeks before the scheduled date. We will have pretest based on the resource material on day 1. The two top scorers (subject to a minimum of 75% marks) would get a cash prize of Rs. 5000 and Rs. 3000.

No spot registration would be allowed.
