

ELECTION NOTICE

IAP Elections for Executive Board of 2014

Dear IAP Members

IAP General Body Meeting at Kolkata, in January 2013 has decided to conduct all future IAP elections by electronic voting i.e. voting on net or via mobile phone. This is one of the foremost pending reforms of IAP. A live demo of electronic voting was given in the Executive board meeting at Mumbai in October 2012. The process is secure and user friendly. In a matter of minutes you can cast your vote in a hassle free manner. The process has two parts:

(1) registration for e-voting; and (2) Casting of the vote. A life member of IAP has to register once only. The steps of e-voting process are explained below:

- A. *Registration* (electronically or physically) - All the members have to register (electronically or physically) for e-voting.
- B. *Authentication* - This part will be done by Election Commission or any designated agency as per decision.
- C. *Actual E-voting* (online or mobile)

A Registration Methods

a. *Electronic*

1. Click on the URL link: <https://samvoting.com/iap/>
2. After logging in, click on “ Click here if you are not registered **Register** “
3. On the next page search your name by entering your First **OR** Last Name as given in IAP records and your state. Alternatively your name can be searched by entering your mobile number (as it exists in IAP records) in the specified field. Confirm your name, address and other details in the data and click on Register.
4. On the next page, fill all the required columns and attach the scanned copy of one of the following. Passport, Aadhaar card, Driving license, IAP ID card or Voter ID card. Uploading of photo ID may take some time (depending on the speed of your system) *
5. Click on I agree to the **Terms and Conditions**

6. Now click **Register** .

7. On successful registration you will get a message on your registered mobile and e mail ID for the confirmation of the registration.
- b. *Physical* – Please send the duly filled attached registration form to the Election Commissioner’s office or IAP Office, Mumbai on the address given below with one self-attested photo ID with address proof (Copy of passport, Aadhaar card, Driving license, Voter ID card and IAP Id Card). Filling all the columns in the registration form is mandatory.

B Authentication to Vote

After receiving your registration form, either electronically or physically, by the election commissioner’s office it will be verified as per official records. You are requested to keep your registered mobile number on for the next few days for a verification call and answer all the questions asked by the caller. This verification call will not take more than two minutes. You are also requested to answer all the questions as given in registration form. Any wrong information may disqualify you for the authorization to vote. After satisfactory confirmation report, your account will be activated for voting. Information of activation to authorize to vote will be sent on your registered mobile and mail ID.

C Actual E-Voting

You will get information on your registered mobile and mail ID whenever the election is scheduled. You are eligible for the e-voting. This information shall also be published in Academy Today.

You can vote either by online or mobile voting method -

I. *Online voting method*

Please visit the site after receiving information of activation to authorise to vote for actual e-voting-

1. Login again using the same URL - <https://samvoting.com/iap/>
2. Click on If you are already registered click here **Login**
3. Click on **Find Member Number**
4. On the next page search your name by entering your First **OR** Last Name as given in IAP record and your State. Alternatively your name can be searched by

ELECTION NOTICE

entering only mobile number in the specified field, if it has been given to CIAP earlier. Confirm your name, address and other details in the data and

Click on 

5. After confirming your particulars, click on **Login** given against your particulars.
6. In the next window your IAP number will be displayed. Here click on Generate password by clicking on '**Click here**' to generate One Time Password (OTP).
