

Pediatric & Adolescent Endocrinology Fellowship at Regency CDER

Regency Center for Diabetes, Endocrinology and Research (CDER), Kanpur provides tertiary care to children with Pediatric Endocrine Disorders and Diabetes from the North Central Region. The center is equipped with state of the art facilities for paediatric DEXA, Bone Xpert, Bioimpedance, Insulin pump and CGMS. Close interaction with pediatric subspecialties including pulmonology, oncology, neurology, gynaecology, gastroenterology, critical care and neonatology along with adult endocrinology ensures widespread exposure to all aspects of acute and chronic pediatric endocrine disorders. Candidates would have opportunity to conduct original clinical and community based research in Pediatric Endocrinology.

Number of positions- Two

Duration- Two years
